SoSafe™

Product Data Sheet

SoSafe™ Vanilla Fresh – Odour Neutraliser

Ideal to remove odours such as tobacco smoke, urine, vomit, musky, wet dog / pet, garbage and other offensive odours from any area. Vanilla Fresh is specifically designed to temporarily mask odours while SoSafe's Surface Active Technology eliminates odour releasing bacteria.

Product Description

"The lost occupancy from smelly rooms placed on do not rent are costly... alternatively the damaging effect of renting smelly rooms to our reputation are irreversible and incalculatable." - Housekeeping

SoSafe™ Vanilla Fresh is a broad spectrum odour neutraliser and surface sanitiser. Originally developed to solve the ongoing odour problems the hospitality industry had been facing to neutralise smoke, vomit, urine and other nasty odours at the source.

SoSafe™ Vanilla Fresh has proven useful to a much more broader scope of industries in areas whereby traditional deodorisers only mask the odour rather than remove it!

How Vanilla Fresh works?

Vanilla Fresh leaves a light vanilla scent that temporarily masks the smell while SoSafe's advanced Surface Active Technology goes to work, eliminating odour producing bacteria. Once the vanilla scent dissipates the area has been odour neutralised of all nasty smells.

SoSafe™ Vanilla Fresh has been scientifically proven to stop bacteria at the source and will residually prevent new bacteria growth, resulting in odour and bacteria free surfaces for longer!

SoSafe™ Vanilla Fresh is regarded as the most effective odour removal solution from indoor areas such as toilet areas to remove urine smells, garbage areas carpets, tiles, rubber mats, fridge, cars and many more.

Users

* Hotels & Clubs
* Restaurants (inc fridges)
* Nursing Homes
* Hire Car & Bus Companies
* Drying Rooms
* Public Toilets
* Wherever there is an odour problem

Characteristics

* pH Neutral

Application Procedure

Odour Neutraliser Application

1. Spray directly on the odour source (Vanilla Fresh requires contact with the odour source to work effectively).

2. Wait / Reapply as necessary. Most odours are gone within minutes!

NOTE: old tobacco odours may require multiple applications over several days to remove odours.

Table Top / Fridge Wipe Application

1. Spray & Wipe.

Pack Sizes

12x750mL (Retail Only) / 10x1Lt / 3x5Lt / 25Lt
